LIVING EVEN BETTER AFTER 50

GREG DAUGHERTY

Editor-in-Chief

Dear Ellen,

Congratulations! Your article "The Least (and Most) Taxing States," published in our July/August 2001 issue, has won a silver award in the 2002 National Mature Media Awards competition. These awards "recognize the best materials produced for those who are 50 and over, the nation's fastest-growing population group."

This is a well-deserved honor, and we're delighted you won it—not only because of this article but because of all the excellent work you have done for our magazine.

Here's to many more!

With best wishes,

Greg Daugherty
